For Unit 2 or Unit 3? We won't be performing the sample at Unit 2 due to being in an outage.

Thanks for the clarification, Dan.

I would like to observe the next TS sample. Please set me up with a POC for Tuesday.

Thanks and kind regards,

Mandy,

We perform two different RCS activity samples. Once a week (Tuesday) we do a sample for the Tech Spec 3.4.16 surveillance Dose Equivalent Iodine and Dose Equivalent Xenon. On Sunday, Wednesday and Friday we perform a sample to track/trend the RCS activity.

We will coordinate with you so that you may observe which ever you choose.
