Michelle/Paul,

On Feb 28, the public service commission will visit IPEC to learn about operator manual actions. Coming from NY State are the following:

Last Name	Initl	First Name	
Martin	D	Paul	NY State Fire Bureau
Tarbell		Gerry	NY State Fire Bureau (has fire protection experience at Nine Mile
Frazier	D	Richard	Homeland security
Peterson	L	Alyse	NYCETRA
Eddy	D	Paul	PSC
Costello	A	Cynthia	Department of Health

The presentation will discuss with the state what operator manual actions are, we will then bring the state to the control room to show where actions would start, based upon alarms, and then will bring them to an area to see how an operator manual action is accomplished.
