Caroline,

That looks good to me. The only two things I would do is to add the state and change the commas between recipients to semicolons since commas separate the names and offices and it would all run together:

The NRC has sent an identical letter to the following State Historic Preservation Officers: Daniel Saunders, New Jersey Historic Preservation Office; Timothy A. Slavin, Delaware Historic Preservation Office; J. Rodney Little, Maryland Historical Trust; and Jean Cutler, Pennsylvania Bureau of Historic Preservation.

Thanks
