**Subject:** Hope Creek/Salem : Wendy Walsh from NJDEP called

Steve,

Wendy Walsh from NJDEP called me the other day and left a message. I had called her on 3 March before we went to the Hope Creek/Salem environmental audit to see if she had any concerns or wanted to visit the site but had not heard back from her before this. I was wondering if you or Steve Dillard had talked to her since that. If not, perhaps we should.

Dennis.
