Charles,

1. You need to provide the link to where they're supposed to make these changes.
2. The years are incorrect for the FSEIS dates.
3. Have you made the proper arrangements with the meeting facilities to lock down an 11/17 public meeting date?

Web Services

Please update the public website for both Salem and Hope Creek SEISs. The changes are highlighted in yellow in the attached table. The revised dates are shown in the column titled "New Schedule Date". Use these dates for updating both the Salem and the Hope Creek SEIS schedules.

Feel free to contact me if you have any questions.
