Subject: Salem Hope Creek Consultation Letters

Charles,
We are trying to compile the complete list of consultation letters regarding the biological issues.

The files we have received from you include the following:

NRC to Patricia Kurkul, NMSF dated 12/23/09
NRC to Annette Scherer, USFWS dated 12/23/09

Mary Colligan, NMFS to NRC dated 2/11/10
Stanley Gorski, NMFS to NRC dated 2/23/10

Are these the only 2 consultation letters sent? If not we need to get copies of the other letters sent.
Was a response received from US Fish and Wildlife Service?

Please send the ML numbers for any additional consultation correspondence.

Thank you,

Nicole M. Spangler

Environmental Engineer
