Dave & Jay,

This is my estimated short list for Brian's review of SERs and SEISs. Melanie wanted this filter instead of the interface type of dates, so she & Brian can plan to divide and conquer based on their schedule. Let me know if you guys are good with it, and I propose that we give them this short list each Monday morning stand-up.

| Document | Estimated date to Brian for review |
|------------------------|---|
| Cooper Final SER | 7/19/10 |
| Kewaunee FSEIS | 7/26/10 |
| Palo Verde SER w/ OI | 7/26/10 |
| Duane Arnold Final SER | 8/2/10 |
| Salem & HC DSEIS | 8/10/10 |
| Duane Arnold FSEIS | 8/30/10 |
