Good to hear from you Rich. Would it work if I called you around 2:30?

Steve:

Long time – no hear (due to me).  
My work priorities have just been re-shuffled to put S & H up front.  
Are you available for a phone conversation early this afternoon  
to discuss your status on the Terrest sections?  
Can you send me your most recent drafts?

D-114

I have the "old ones" sent immediately before the March 2010 site audit, but nothing since then, other than the recent consultation correspondence.

Thanks, and hope to talk to you soon!

Rich
