Subject: License Amendment

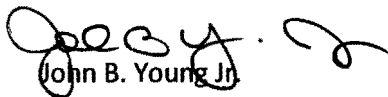

To Whom It May Concern:

I am submitting the following information in an effort to amend my current Specific License number 13-32049-01 issued to me by the NRC. As you will see, I am requesting only one change to my license.

Thank you in advance for your efforts. Should you have any questions or concerns, please contact me at my home office number, (812) 466-5478, or by email at John.Young@aisgauging.com.

Sincerely,

Industrial Maintenance Engineering, Inc.

John B. Young Jr.

President/RSO

RECEIVED SEP 20 2011

Amendment #1

Item number (11A) Add additional employee as Authorized User under my license

I request to add Fred W. Sanders to my license as an Authorized User allowing him to perform the items listed under item #9 of my license. (Authorized Use)

Listed below are the reasons why I feel I should be granted this amendment:

1. Fred has been employed by Industrial Maintenance Engineering, Inc. for over six months.
2. Fred has completed our one week training course that covers the topics listed in Appendix H of NUREG-1556, Vol. 18, Consolidated Guidance About Materials Licenses: Program-Specific Guidance About Service Provider Licenses, dated November 2000.
3. I have provided the training and training materials to Fred in a classroom atmosphere over a period of 40 hours.
4. I have provided over 40 hours of On-the-job training that has included supervised hands-on experience performing the tasks authorized on the license that are commensurate with the expected hazards during routine and emergency conditions.
5. Fred has successfully completed a closed book written exam based on the training he has received.
