Leslie,

I don't have a printer, but I can help out with the other things, if you want.

RPB1,

In order for Leslie to get the Salem & HC DSEIS to EPA tomorrow, she will need help getting 5 hard copies:

1. Printed
2. 3-hole punched
3. Put in binders

Please offer your assistance if you have some time or a free 2-sided printer. Thanks!

P.S. she may also need help burning a few CDROMs
