Subject: RE: Travel Logistics for Salem/Hope Creek Meeting on Wednesday, Nov 17th

Leslie,

I am going to drive up and back on Wednesday. I'm probably going to leave from home, so it might be difficult to take anyone else with me.

Thanks,
Mike

Subject: Travel Logistics for Salem/Hope Creek Meeting on Wednesday, Nov 17th

All,

I just want to touch base with everyone regarding travel arrangements for the November 17th Salem/Hope Creek public meeting. The drive up to the meeting is about 2hours 20 minutes from the office.

I plan to leave from home on Tuesday evening, and I may stay overnight on Wednesday. I have already touched base with both Butch and Bo regarding their travel plans. Butch is also leaving from home but plans to drive up the day of the meeting and plans to go home Wednesday night after the meeting. Bo is also driving up the day of the meeting and indicated that someone can ride up with him, however, he also plans to head back Wednesday night after the meeting.

I wanted to check with everyone else to find out if others would like me to reserve a government vehicle or do you plan to drive yourselves. If you are planning to drive, please let me know if you can give someone else a ride. Also let me know whether or not you plan to stay overnight. Please provide feedback to me before or by Friday, November 5 so I can determine whether or not a government vehicle is needed.

Below is information regarding the Hotel for anyone who plans to stay overnight.

Holiday Inn Express Hotel and Suites
506 S. Pennsville Auburn Road
Carneys Point, NJ 08069
Phone: 856-351-9222

Please contact me if you have any questions or concerns.

Thanks,
Leslie Perkins
