Julie – In this e-mail, I am forwarding Entergy's comments on the draft Biological Opinion to you. I have just received them. The NRC staff will submit its comments by COB today. Please let me know if you have any difficulties with this e-mail.

I have cc'd Dara Gray from Entergy to confirm that we have conveyed Entergy's comments to you.

Best,
Drew

Subject: Entergy Comments on Draft BO

Hi Drew and David

As we just discussed, enclosed are the comments by Goodwin Procter, on behalf of Entergy, regarding NMFS' Draft Biological Opinion Associated with the License Renewal Application for IP2 and IP3. I understand that you will be forwarding them to NMFS today, as well as the NRC's comments. If you could copy me on that transmittal, I would greatly appreciate it.

Thanks again

Dara Gray, REM
