/1 Broomfield County, CO was formed from parts of Adams, Boulder, Jefferson, and Weld Counties, CO on November 15, 2001 and was coextensive with Broomfield city.

For purposes of presenting data for metropolitan and micropolitan statistical areas for Census 2000, Broomfield is treated as if it were a county at the time of the census.

Note: The April 1, 2000 estimates base reflects changes to the Census 2000 population resulting from legal boundary updates as of January 1, 2008, other geographic program changes, and the Count Question Resolution program. All geographic boundaries for the July 1, 2008 population estimates series are defined as of January 1, 2008. The Office of Management and Budget's statistical area definitions for metropolitan and micropolitan statistical areas, as well as metropolitan divisions, are those issued by that agency in November 2007.

The metropolitan and micropolitan statistical area population estimates are based upon the county estimates. The county estimates methodology is available at: <<http://www.census.gov/popest/topics/methodology/2008-st-co-meth.pdf>>.
