To Whom it May Concern:

Sims Metal Management – CT, doing business as Michael Shiavone & Sons, currently possesses a specific materials license, No. 06-23364-01 with an expiration date of Oct. 31, 2014.

03020970

We are currently in possession of two Niton X-ray fluorescence analyzer devices with Am-241 source material. They are:

Model No. XLP818Q Ser. No. 7233

Model No. XLP818Q Ser. No. 7228

These units are covered under a General License so we no longer require the specific license. We wish to have this license terminated effective immediately. If you have any questions please feel free to contact me at the above phone number.

Sincerely,

Scott Jacobs
Regional SHEC Mgr.
Sims Metal Management

This is to acknowledge the receipt of your (C) letter application dated

9/19/2011, and to inform you that the initial processing which includes an administrative review has been performed.

Termination (06-23364-01) There were no administrative omissions. Your application was assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.
