PURPOSE: The purpose of this meeting is to familiarize the NRC staff with the proposed
Sheep Mountain Heap Leach facility and to audit the application prior to
submission to identify any major acceptance or technical review issues.

CATEGORY: This meeting is a Category 1 Public Meeting. The public is invited to observe
the meeting and may ask questions at the end of the business portion of the
meeting. The NRC's Policy Statement, "Enhancing Public Participation in
NRC Meetings," effective May 28, 2002, applies to this meeting. The policy
statement may be found on the NRC Web site at: <http://www.nrc.gov/reading-rm/doc-collections/commission/policy/67fr36920.html> and contains
information regarding visitors and security.

Members of the public may attend the site tour and observe the application
audit. However, members of the public will not be allowed to view the
application itself, as it is a pre-submission document. NRC requests that

members of the public interested in attending the site tour contact John Buckley at john.buckley@nrc.gov, or 301-415-6607, by October 21, 2011. The application will not become part of the meeting summary, will not be distributed to meeting attendees or removed from the premises by meeting attendees.
