LEE LIU

SENIOR VICE PRESIDENT — ENGINEERING

Mr. Harold Denton, Director
Office of Nuclear Reactor Regulation
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Denton:

In our letter dated December 28, 1978, which discussed our fire barrier penetration analysis, we stated that we would submit a barrier penetration test procedure to your office. Enclosed you will find a copy of a test procedure for electrical cable penetration fire stops at the Duane Arnold Energy Center. The procedure is being transmitted to you for your information. Please consider that it is a preliminary version at this time.

Very truly yours,

Lee Liu
Senior Vice President-Engineering
