Documents Title in ADAMS)

In the letter dated 7/8/11, the licensee requested the removal of their location of use (LOU) at 774 Christiana Road, Suite 1, Newark, DE. The RSO, Garth Koniver, M.D. stated that nuclear medicine services were never provided at this location. I spoke to D. Grace to confirm the status of the LOU. According to D. Grace, the PET/CT camera was never installed, nor did they ever possess any sealed or unsealed radioactive materials at this location.
