Attention: Mr. Michael Vasquez

Dear Mr. Vasquez,

I am writing today to request a change to our NRC License # 40-23107-01. The change involves removing the existing RSO person from Roger Bourne and replace the RSO person with Allan Tait.

Further clarification is that Roger Bourne is no longer employed at the facility and Allan Tait just certified as RSO last week at Ohmart/Vega.

I emailed both you and Jason Razo the Certificate of Training for Allan Tait for future reference.

If you have any questions or need further information, please advise.

I can be reached at 715-225-2635 cell.

Again Michael, Thank you for working with our company through this transition.

We learned from it for future planning.

Sincerely,

Wayne Bunge
