The applicant hereby acknowledges that the E&SPC Plan is reviewed for adequacy to control erosion and sedimentation, in accordance with 25 Pa. Code Chapter 102 and the Clean Streams Law, and not for adequacy of structural design.

The applicant shall retain full responsibility for any damage which may result from any construction activity notwithstanding Conservation District approval of the subject E&SPC Plan.

It is understood that approval of the plan submitted with this application shall be valid only for the duration of the initial project granted by the municipality.

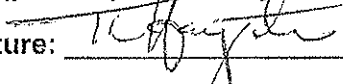

All municipal renewals of this project will require resubmission and approval by the Conservation District.

In no case shall this approval extend beyond two (2) years.

The applicant hereby agrees as follows:

1. To notify the Luzerne Conservation District in writing or by phone at least 72 hours prior to any earth disturbance activity.
2. To notify the Luzerne Conservation District upon completing the project.
3. To maintain a copy of the approved E&SPC Plan on the project site.
4. To allow Luzerne Conservation District representatives to enter the project site for inspection.
5. That any conveyance of the project prior to its completion will include the transfer to the subsequent owner(s) the full responsibility of compliance with the approved E&SPC Plan and applicable regulations.
