Subject: RE: Bridge Line Number and Materials for NRC Teleconference Today (1 of 2)

Sarah:

Please send this revision to the NRC. It corrects a wrong date in Q.3 and finishes the last sentence in Q10.

Karl

Subject: Bridge Line Number and Materials for NRC Teleconference Today (1 of 2)

Please note that this teleconference is from 1:00 - 4:30 EDT / 12:00 - 3:30 CDT. Please adjust start and end times to your time zone.

Call in information is as follows:
Bridge Line: 888-456-0363
Passcode: 37340#

Those of you calling in from STP (on site) should meet in Conference Room NSC 5106 to call in.

Attached please find the Meeting Notice and Agenda, the final report for the LOCA frequency task and responses to Bob Tregoning's questions. (Slides to follow.)

Thanks,

Sara Wright
