Name of Licensee: RCOA Imaging Services, Inc.**Name of Participant(s):** Colleen Sevigny, Eastern Operations Manager**Telephone No.** 561-477-3500, ext. 323**Subject:** Clarification of authorized user request

On 9/30/11, I left a message asking Colleen to call me.

On 10/4/11, Colleen returned my call. I informed her that two of the requested authorized users (AUs), Drs. DeMasi and Jain, are radiation oncologists authorized on Nanticoke Memorial Hospital's license for brachytherapy only. RCOA's license authorizes diagnostic nuclear medicine use under 35.100 and 200. We will be unable to add these two individuals to RCOA's NRC license.

I also informed Colleen that RCOA requested to add "Thomas Ricco, M.D.," however the spelling of this individual's last name on the referenced Nanticoke license is "Ricchio." [note: I confirmed on the ABMS website that board certification in Diagnostic Radiology is held by "Thomas Riccio, M.D." located in the same geographic area as Nanticoke] RCOA's amendment will show the spelling as "Ricchio."

Action Required: Issue amendment, with changes noted above.**Document Availability:****Publicly Available****Non-Publicly Available****Non-Sensitive** **Sensitive – Privacy Act/ PII** **Immediate Release****Non-Sensitive Copyright** **Sensitive – Internal****Normal Release Date: 10/13/2011****Sensitive- Proprietary** **Sensitive – Security-Related****Delayed Release Date:****SUNSI Review Completed By:**
