SUBJECT
NEED FOR LICENSEE MANAGEMENT CONFIRMATION RE: RSO DELEGATION OF AUTHORITY

SUMMARY

In response to a request from the license reviewer on September 14, 2011, the licensee submitted a copy of the Delegation of Authority statement signed by the proposed new Radiation Safety Officer (RSO), Dr. Jose Alvarez. However, the document, which was dated September 22, 2011, and received at this office on September 23, 2011, was not signed by a member of licensee management, but by the licensee's current RSO, Dr. Edward Stevens. The purpose of this call was to ascertain management's awareness and concurrence with the Delegation of Authority statement that was forwarded to this office. As stated to Materials Licensing Branch staff, Cassandra Frazier and Dennis O'Dowd, during this telephonic conference, Jeff Akers, Director of Imaging Services and Department Manager for St. Francis Hospital (NRC License No. 24-26415-01) confirmed that he has reviewed and concurs with the Delegation of Authority document dated September 22, 2011, which was signed by Drs. Stevens and Alvarez.
