Bill, thanks for all your hard work.

Dave, Kevin, You have my approval for the following IVPs: 015, 001, 002, 003, 005,006,007, 009,and 013. I will take a look at others on Monday. I am having a very difficult time printing out the approval page that Bill Signed for Deborah – I was hoping to sign that page below Region II approval signature, but cannot print out all of them. -- How do you intend to capture my and Region II approvals for a given revision? Guess you can go into the system, enter the date and note by “e-mail” or am I missing something here?? Please assist me on Monday for my signature approval. All have a great weekend. Larry
