Jacqueline D. Cook  
Senior Health Physicist

1. Please submit documentation of training and experience as outlined in 10 CFR 35.55 (<http://www.nrc.gov/reading-rm/doc-collections/cfr/part035/part035-0055.html>) for Mr. John W. Jepperson which must include 700 hours completed in a structured educational program. In Part 1, Section 2.b. of NRC Form 313A(ANP), it states the total hours of experience as 660 hours. However, when I add the total number of classroom and laboratory training as specified in Part 1, Section 2.a. and the total hours of experience as specified in Part 1, Section 2.b. it appears that Mr. Jepperson has only completed 595 total hours.

Please clarify this discrepancy.
