Fluorine Extraction and Depleted Uranium Deconversion Plant Environmental Impact Statement

Telecommunication Record

Date/time of Call: 08.16.10 / 7:30am

Purpose of Call: Criteria for disturbing soils on the Site classified as Farmland of Statewide Importance.

For SES: Krista Dearing, Tetra Tech, 623.910.6898

Called: Philip Carter, District Conservationist, NRCS, Lovington, NM. 575.396.5857 ext. 3

Summary of discussion: Mr. Carter ran a Custom Soils Report for the Site. The Site is occupied by ~50.5 acres of soils classified as Farmland of Statewide Importance; however, since the Site has not been designated as Agricultural by the State, the soils do not require an AD 1066 form or agency consultation.

Action Items: None
