Desc: We have been asked to provide environmental insurance coverage on the above captioned property. An environmental database search identified 628 Hebron Avenue as having a license from the NRC - License Number: 06-19661-01MD. Would you be able to provide any details about this license such as Date Issued, Date Expired, Enforcement Actions, Fines or Penalties, Permit Issued For What Type of Operation, etc. If the permit has expired or terminated is there any type of closure document that is part of public record that we can get a copy of? Thank you for your assistance in this matter.
