Re: Cabot Corporation – Financial Assurance
PA DEP License No. PA-1353SMB (Formerly NRC License No. SMB-920)

04006940

Dear Mr. Eves:

I have received the original Irrevocable Standby Letter of Credit Number 6401594 (Letter of Credit) issued by Bank of America, dated August 9, 2011, and submitted on behalf of Cabot Corporation (PA DEP Radiation Materials License Number PA-1353SMB (Formerly NRC License No. SMB-920)). I have reviewed the financial assurance documents submitted, the Letter of Credit is acceptable, and the financial assurance for Cabot Corporation is approved at this time. By copy of this letter, I am notifying the Nuclear Regulatory Commission (NRC) that the financial assurance instruments Cabot Corporation currently has on file with the NRC should be cancelled and returned to the licensee as soon as possible.

Thank you for your attention to this matter.

Sincerely yours,

Curtis C. Sullivan
Assistant Counsel
