LISLE, ILLINOIS 60532-4352

SEP 27 2011

Timothy Popp  
Radiation Safety Officer  
Pfizer, Inc.  
Environmental, Health & Safety  
7000 Portage Road  
Kalamazoo, MI 49001-0199

Dear Mr. Popp:

Enclosed is Amendment No. 70 amending your NRC Material License No. 21-00182-03 in accordance with your request.

Based on our telephone conversation on September 26, 2011, it is our understanding that you will be submitting a certification of decommissioning financial assurance in the amount of \$1,125,000 to replace the current decommissioning funding plan (DFP) that we have approved for license number 21-00182-03. Upon approval of the replacement financial assurance we will cancel and return the parent company guarantee that was approved in support of the DFP.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate corrections and answers.

You will be periodically inspected by NRC. Failure to conduct your program in accordance with NRC regulations, license conditions, and representations made in your license application and supplemental correspondence with NRC will result in enforcement action against you. This could include issuance of a notice of violation, or imposition of a civil penalty, or an order suspending, modifying or revoking your license as specified in the General Statement of Policy and Procedure for NRC Enforcement Actions. Since serious consequences to employees and the public can result from failure to comply with NRC requirements, prompt and vigorous enforcement action will be taken when dealing with licensees who do not achieve the necessary meticulous attention to detail and the high standard of compliance which NRC expects of its licensees.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and the enclosure will be available electronically in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS).

The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in black ink, appearing to read "Kevin G. Null".

Kevin G. Null  
Materials Licensing Branch
