re: ExxonMobil, Highland Uranium Mill Site License Amendment SUA1139 (SHPO File # 0289RLB020)

Dear Mr. Michalak:

Thank you for consulting with the Wyoming State Historic Preservation Office (SHPO) regarding the above referenced undertaking. Following 36 CFR § 800.3(a)(1), we find that the proposed undertaking, as presented, has no potential to cause effects to historic properties. Provided that the undertaking is implemented as presented, we believe that the U.S. Nuclear Regulatory Commission has no further obligations under Section 106 of the National Historic Preservation Act or 36 CFR Part 800.

We look forward to further consultation with your office concerning this project should additional actions be proposed as part of this undertaking.

This letter should be retained in your files as documentation of a SHPO concurrence with your finding of no historic properties affected. Please refer to SHPO project #0289RLB020 on any future correspondence regarding this undertaking. If you have any questions, please contact me at 307-777-5497.

Sincerely,

Richard L. Currit
