RE: *DOCA Company v. Advanced Measurement and Analysis Group, et al.*,
No. 04-1951 (W.D. Pa.);
NRC File No. TR-11-11 (Marinos Deposition).

Dear Mr. ~~McClenahan~~;

On August 5, 2011, you issued a formal Notice of Deposition for the deposition of Mr. Angelo Marinos, a retired NRC employee. You also issued both a subpoena *ad testificandum* and a subpoena *duces tecum* to Mr. Marinos. As I advised you at the time, the Office of the General Counsel agreed to represent Mr. Marinos at his request. In the process, we opened an official file on the matter, TR-11-11. Please refer to that number in any future correspondence regarding this matter.

You conducted the deposition of Mr. Marinos on August 17, 2011, as scheduled. Mr. Marinos has now informed me that he has reviewed and signed the deposition transcript, prepared and signed an errata sheet for the transcript, and returned both as directed. Accordingly, this Office has closed NRC File No. TR-11-11.

Sincerely,

Charles E. Mullins
Senior Attorney
Office of the General Counsel

cc: Mr. Angelo Marinos
