Re: West Virginia University Hospitals, Inc.  
Control # 575867

Dear Dr. Gabriel:

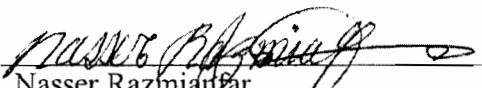

Subject: Additional information for West Virginia University Hospitals, Inc.

This is in response to your e-mail request received on October 5, 2011 to furnish additional information regarding qualification of Mr. Joshua Hack as an Authorized Medical Physicist (AMP).

It has been confirmed that Mr. Hack has received training from Thomas Kirby, Ph.D. in performing full calibration checks of the Perfexion Gamma Stereotactic Radiosurgery Unit during the time period of August 2010 through July 2011.

Also, this confirmation has been sent via e-mail to your attention on October 10, 2011.

Sincerely yours,

  
Nasser Razmianfar  
Director and Radiation Safety Officer

  
Stephen Tancin  
Vice President, Ancillary & Support Services

Cc: Darlene Headley, Director of Radiology/Radiation Oncology  
Radiation Safety Committee
