FILES AND LINES

Dear Ms. Regner,

On behalf of my family, friends, and neighbors, please do not relicense the Limerick Nuclear Power Plant. We work in Pottstown, live in Elverson, and our young daughter goes to school in Kimberton. All these locations are in harm's way of Limerick. Every day when I drop our child off at school I have a view of the Limerick towers when I travel on Route 724. I pray everyday that nothing happens when our daughter is at school. We no longer feel safe or even drink our tap water, do you?
