Honorable Donald M. Fraser

Dear Mr. Fraser:

In June, Mr. Henderson of my staff was in touch with Mr. MacIver of your office regarding correspondence we have had with Mr. Paul H. Engstrom, President of the Minnesota Environmental Control Citizens Association, and on July 2, 1969, Chairman Seaborg transmitted copies of the correspondence in response to your letter of June 17, 1969.

I am pleased to enclose for your further information a copy of my letter of September 12, 1969, to Mr. Engstrom, which forwarded our specific answers to the questions he submitted concerning the Monticello Nuclear Generating Plant.

Sincerely,
