Oak Ridge, Tennessee 37830

In the Matter of  
Northern States Power Company  
(Monticello Nuclear Generating Plant, Unit 1)  
Docket No. 50-263

Gentlemen:

Under cover of this letter we are transmitting the "NRC Staff's Response to MPCA's 'Submission of Revised Additional Contention' Dated May 14, 1975". Pursuant to the Atomic Safety and Licensing Board's direction (Tr. 1818) this pleading was originally due May 28, 1975. The filing date was, however, extended until June 2, 1975 upon the oral request of the NRC Staff and the Minnesota Pollution Control Agency, conveyed to Chairman Lazo by Staff counsel. Counsel for the Applicant indicated that he had no objection to the requested extension and would also file on the later date.

Sincerely,

Stephen H. Lewis  
Counsel for NRC Staff

Enclosure  
As Stated.

cc: See page 2.
