No news, yet, on the Biological Opinion. I will let you know as soon as I hear or receive anything.

Also, Dave Wrona received the letter from Elise regarding Essential Fish Habitat. It is now in ADAMS at ML11286A140.

Best,
Drew

Hi Drew

I was wondering if you had any word on the final Biological Opinion from NMFS? I thought it would be issued by today.

Thanks

Dara Gray, REM
