File Copy

You recently inquired about the feasibility of making available for public examination at a convenient location in the Minneapolis-St. Paul Metropolitan Area, a complete file of our AEC application for the Monticello and Prairie Island nuclear generating plants.

This is to inform you that we have placed a complete application file for each project at the following facility.

Environmental Resource Center  
1222 Fourth Street S.E.  
Minneapolis, Minnesota 55414

Attention: Mr. George Bloom

We will make arrangements to see that forthcoming amendments to our applications will also be sent to the above facility. We understand you plan to send appropriate AEC documents to the above facility so that a full set of application documents will be available.

We have also supplied to the above facility other information and document material of environmental significance for NSP projects.

Yours very truly,

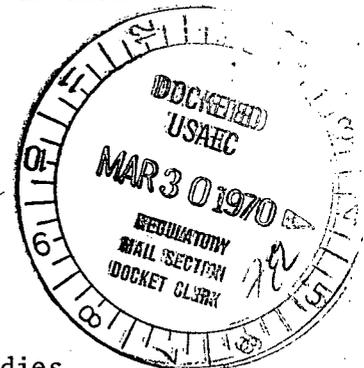

Arthur V. Dienhart  
Assistant Vice President - Engineering
