Dear Dr. Lodhi

Ahern a Division of Kokosing Construction Company's NRC License #47-25178-01 covers 3 nuclear density gauges. As the company has expanded we have the need to increase our number of gauges up to 6. Any future purchases will be Troxler 3400 series gauges. If you could, please review our company's license and expand it to 6 gauges.

Should you have any questions, or need further information, please don't hesitate to call me at 304-989-2263.

Sincerely,

Shannon P. Stephens
Quality Control Supervisor
