Dear Sir or Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. 552, I hereby request a copy of the Global Nuclear Fuels-Americas (GNF-A) "written supplemental memorandum" provided to the Nuclear Regulatory Commission on or about April 8, 2011. The memorandum includes a description of GNF-A's positions on what was, at the time, a pending Enforcement Action related to violations by the company's Global Laser Enrichment effort. (Those violations were subsequently described in the NRC's May 19, 2011, letter to GNF-A, which was the focus of a prior, completed FOIA request.)

The document being sought by this FOIA request may be associated with ADAMS accession number ML 111220418. I searched on your ADAMS system and contacted your Public Document Room, but this document does not appear to have been posted publicly.

Please provide the document to me at this e-mail address: egrossman@nationaljournal.com

I am requesting these records as a representative of the news media. I request a waiver of fees because my interest in records is not primarily commercial, and disclosure of the information will contribute significantly to public understanding of the operations or activities of the government. The news service for which I report, Global Security Newswire, is published by the highly acclaimed National Journal Group. The newswire is available online at www.globalsecuritynewswire.org.

Please provide requested copies at the soonest possible date, as this is a matter of pressing public interest. A response must be provided at least within 20 working days as dictated by law. If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

If you have any questions about handling this request, please telephone me at my number, below. Thank you for your prompt attention to this matter.

Sincerely,

Elaine M. Grossman
