Monticello Segmented Test Rod Bundle
(Proprietary Information)

On March 24, 1981, proprietary report NEDE-20179-4P, describing the Monticello Segmented Test Rod Bundle, was submitted. Attached are five copies of Errata and Addenda sheet No. 1 dated May 1981. This change reflects the current status of changes made during the April 1981 refueling outage to the STR bundle.

All necessary information for establishing the proprietary nature of this information was included with the December 14, 1973 submittal; therefore, we request limited distribution of the attached documents consistent with proprietary information procedures.
