REGARDING: License 21-32718-01

Dear Sirs;

This letter is in response to a Dunning Notice received by your agency. We are no longer doing radioactive seed implants for the treatment of prostate cancer. Per the advice of Cherib Robertson, this letter is a formal request to cancel our Nuclear License, effective immediately. We have not performed seed implant treatment since December 2010

Please contact me at (810) 538-3601 with any additional information you may require.

Sincerely,

Barbara Robarge
