Aloha Ms. Simmons,

As discussed telephonically today, we request to revise the license amendment application dated 09/01/11 for Dr. David Kho for the following uses only:

We request consideration of previously submitted documentation, specifically the American Board of Radiology - Program Director Attestation signed 4/30/10, to demonstrate that Dr. Kho meets the necessary clinical experience specified in 35.392(c)(2)(vi) for oral administration of I-131 therapy  $\leq$  33 mCi.

Thank you,
