SECTION 106 REPRESENTATIVE

RE: Project ID: Limerick Generating Station
Limerick Township of Montgomery County, PA

Dear Mr. Wrona,

Thank you for providing the Onondaga Nation with information about this project. If anything changes are made, I would like to be consulted. I realize that Unit 1 and Unit 2 have licenses that may be renewed in 2024 and 2029 respectively, therefore you may send updates and information until then.

In the event that during project construction, any archeological resources or remains, including, without limitation, human remains, funerary objects, sacred objects, or objects of cultural patrimony are uncovered, please immediately stop construction and contact me at (315)952-3109, or the Onondaga Nation's General Counsel Mr. Joseph Heath at (315)475-2559.

If you have any comments or questions about this matter, please do not hesitate to let me know. Thank you for your help.

Sincerely,

Anthony Gonyea
