P. O. Box 40627
Nashville, TN 37204

SUBJECT: NOTICE OF AVAILABILITY OF THE DRAFT SUPPLEMENT TO THE FINAL
ENVIRONMENTAL STATEMENT FOR WATTS BAR NUCLEAR PLANT, UNIT 2
FOR PUBLIC COMMENT

Dear Commissioner Givens:

The U.S. Nuclear Regulatory Commission (NRC) staff has completed draft Supplement 2 to NUREG-0498, "Final Environmental Statement Related to the Operation of Watts Bar Nuclear Plant, Unit 2." Enclosed is a copy of the draft supplement and the associated Notice of Availability that will be published in the *Federal Register*. This notice advises the public that the draft supplement is available for public inspection at the NRC Public Document Room or from the Publicly Available Records component of NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the NRC Website at <http://www.nrc.gov/reading-rm/adams.html> (online in the NRC Library) and directly from the NRC Website at www.nrc.gov.

The notice also informs the public that a public meeting on the draft supplement will be held at the Magnuson Hotel at 1421 Murrays Chapel Road in Sweetwater, Tennessee, on Thursday, December 8, 2011. As discussed in the enclosed notice, the staff is providing the public with the opportunity to provide comments. The meeting will consist of two sessions, which will cover the same subjects. The sessions will convene at 2:00 p.m. and 6:30 p.m. and will continue until 4:00 p.m. and 8:30 p.m., as necessary. The meeting will be transcribed and will include:

- (1) a presentation of the contents of the draft supplement to the environmental statement, and
- (2) the opportunity for interested government agencies, organizations, and individuals to provide comments on the draft report. Additionally, the NRC staff will host informal discussions 1 hour before the start of each meeting session.

Please note that the public comment period for the draft Supplement 2 to NUREG-0498 ends on December 27, 2011.

K. Givens

- 2 -

A separate Notice of Availability of the draft Supplement 2 to NUREG-0498 will be placed in the *Federal Register* through the U.S. Environmental Protection Agency. If you have any questions regarding this matter or wish to comment on the draft Supplement 2 to NUREG-0498, please contact Mr. Pat Milano at 301-415-1457 or by email at Patrick.Milano@nrc.gov.

SUBJECT: NOTICE OF AVAILABILITY OF THE DRAFT SUPPLEMENT TO THE FINAL
ENVIRONMENTAL STATEMENT FOR WATTS BAR NUCLEAR PLANT, UNIT 2
FOR PUBLIC COMMENT

Dear Mr. Yager:

The U.S. Nuclear Regulatory Commission (NRC) staff has completed draft Supplement 2 to NUREG-0498, "Final Environmental Statement Related to the Operation of Watts Bar Nuclear Plant, Unit 2." Enclosed is a copy of the draft supplement and the associated Notice of Availability that will be published in the *Federal Register*. This notice advises the public that the draft supplement is available for public inspection at the NRC Public Document Room or from the Publicly Available Records component of NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the NRC Website at <http://www.nrc.gov/reading-rm/adams.html> (online in the NRC Library) and directly from the NRC Website at www.nrc.gov.

The notice also informs the public that a public meeting on the draft supplement will be held at the Magnuson Hotel at 1421 Murrays Chapel Road in Sweetwater, Tennessee, on Thursday, December 8, 2011. As discussed in the enclosed notice, the staff is providing the public with the opportunity to provide comments. The meeting will consist of two sessions, which will cover the same subjects. The sessions will convene at 2:00 p.m. and 6:30 p.m. and will continue until 4:00 p.m. and 8:30 p.m., as necessary. The meeting will be transcribed and will include:

- (1) a presentation of the contents of the draft supplement to the environmental statement, and
- (2) the opportunity for interested government agencies, organizations, and individuals to provide comments on the draft report. Additionally, the NRC staff will host informal discussions 1 hour before the start of each meeting session.

Please note that the public comment period for the draft Supplement 2 to NUREG-0498 ends on December 27, 2011.

K. Yager

- 2 -

A separate Notice of Availability of the draft Supplement 2 to NUREG-0498 will be placed in the *Federal Register* through the U.S. Environmental Protection Agency. If you have any questions regarding this matter or wish to comment on the draft Supplement 2 to NUREG-0498, please contact Mr. Pat Milano at 301-415-1457 or by email at Patrick.Milano@nrc.gov.

SUBJECT: NOTICE OF AVAILABILITY OF THE DRAFT SUPPLEMENT TO THE FINAL
ENVIRONMENTAL STATEMENT FOR WATTS BAR NUCLEAR PLANT, UNIT 2
FOR PUBLIC COMMENT

Dear Ms. Barczak:

The U.S. Nuclear Regulatory Commission (NRC) staff has completed draft Supplement 2 to NUREG-0498, "Final Environmental Statement Related to the Operation of Watts Bar Nuclear Plant, Unit 2." Enclosed is a copy of the draft supplement and the associated Notice of Availability that will be published in the *Federal Register*. This notice advises the public that the draft supplement is available for public inspection at the NRC Public Document Room or from the Publicly Available Records component of NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the NRC Website at <http://www.nrc.gov/reading-rm/adams.html> (online in the NRC Library) and directly from the NRC Website at www.nrc.gov.

The notice also informs the public that a public meeting on the draft supplement will be held at the Magnuson Hotel at 1421 Murrays Chapel Road in Sweetwater, Tennessee, on Thursday, December 8, 2011. As discussed in the enclosed notice, the staff is providing the public with the opportunity to provide comments. The meeting will consist of two sessions, which will cover the same subjects. The sessions will convene at 2:00 p.m. and 6:30 p.m. and will continue until 4:00 p.m. and 8:30 p.m., as necessary. The meeting will be transcribed and will include:

- (1) a presentation of the contents of the draft supplement to the environmental statement, and
- (2) the opportunity for interested government agencies, organizations, and individuals to provide comments on the draft report. Additionally, the NRC staff will host informal discussions 1 hour before the start of each meeting session.

Please note that the public comment period for the draft Supplement 2 to NUREG-0498 ends on December 27, 2011.
