Re: Freedom of Information Act Request

To Whom it may concern,

I am looking for information regarding the proposed Greene County Nuclear Power Plant in the 1970's. I have found that information exists between 1974 and 1980 or so. I am particularly interested in site plans or any conceptual drawings for the site in Cementon, NY (which was the Lehigh Portland Cement Co.). The address of the site is tough to determine since the property is so large. I am unaware of the extent of preliminary information before the plan was stopped.

I am willing to pay up to \$100 to acquire copies of the above referenced documents. Please do not hesitate to contact me with any questions regarding this request. My phone number is (631) 567-1777 ext 103.

Sincerely,
Apex Companies, LLC.
