Good Morning

I know this is late according to your article, but I wanted to still send you some information.

I feel that there is a lot of people that had not known to report anything because of not knowing who to go to. I don't understand why the hospitals don't give statistical information based on areas?

Anyway my daughter Tracey had Leukemia at the age of 2 1/2. Was a patient at Children's Hospital until she was 5. With several years of chemotherapy she is now 18 and in remission. We had lived on Limerick Center Road for most of our young lives and now with our kids. I don't know what other information you would need but I would be happy to get you whatever you might need.

Thank you,
