**Subject:** Copies of the NRC's Draft EIS for Fermi 3

Mr. Keegan,

On the August teleconference for the Fermi 3 environmental review we discussed distribution of the draft Environmental Impact Statement (EIS). I wanted to check back in with you and see how many copies (paper and/or CD) that you would like to receive? Please note it will probably be at least 2 volumes. We've started sending out CDs of the EIS but if a public member would like a hard copy, we would send them one. In addition, the EIS will be available on our website as well.

Thanks,  
Jessie
