Subject: D.c. Cook Units 1 and 2 - Audit Plan for the proposed NFPA 805 amendment (TAC ME6629 and ME6630)
Attachments: Cook NFPA 805 audit plan.pdf

Michael:

Attached please find the NRC staff's audit plan for the subject audit that is now ongoing at your Buchanan, MI, office. While this plan is being sent to you a bit late, I believe the NRC staff has adequately communicated the substance of the information contained in this plan during the several conference calls we held in the past few weeks. If you have questions or comments, please communicate directly with the audit team currently at your Buchanan office.
