Subject: SOARCA NUREG to Comm in Oct
Attachments: Kathy Halvey Gibson.vcf; image001.jpg

Importance: High

I need your help. Mike Weber questioned whether we should send this as an info paper or use some other mechanism to get the draft SOARCA NUREG to the Comm or maybe just to the TAs (TA note or???)

Can you work with Jack in EDO to see what our options are and make a recommendation we can take to Brian and Mike?

Thanks! ☺
