Jimi,

I left you comments on the SOARCA website. Hopefully you can make sense of them since we won't have a chance to talk about them. Please incorporate as best you can and after Andrea's (and Brian's) review, more forward. Do we need OPA, OGC, or anybody else's review? Steering committee?

Also I read through the exec summary and I think it looks good. A good place to start when you are ready to add it to the document and get comments. Very good job – thanks for that.
