FOIA REQUEST

Fee benefit requested

Fee waiver requested

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of the Federal Procurement Data System (FPDS) Data Quality Reports for all fiscal years available. The reports I'm looking for are mandated in several OMB memos, including those dated May 9th, 2008, October 7th, 2009, and May 31, 2011.

If possible, I would like to receive the data in electronic form. If the documents are only available in hard copy, I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$20.00. Please notify me prior to your incurring any expenses in excess of that amount.

I respectfully request a waiver of all costs associated with fulfilling this submission pursuant to 5 U.S.C. § 552(a)(4)(A)(iii). Disclosure of the requested records will further the "public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest" of the requester, the Sunlight Foundation.

Founded in 2006, the Sunlight Foundation is a 501(c)3, nonpartisan organization dedicated to furthering transparency in government. Sunlight disseminates information about its activities to thousands of concerned citizens, policymakers, and the media via its Web site <http://www.sunlightfoundation.com>. This information is being sought on behalf of The Sunlight Foundation for dissemination to the general public.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

I look forward to your reply within 20 business days, as the statute requires.

Thank you for your assistance.

Sincerely,

Kaitlin Lee
